## Waiver of Liability

In knowing that karate is a contact sport and that injuries can and do happen, I hereby state that I will not hold liable, for any injury incurred during the course of my studies and training (or that of my minor child), anyone connected to my Uechi-ryu Karate class. This includes my instructors, my fellow students, owners of the property on which we train, as well as anyone associated with said property (i.e. maintenance workers, property managers, etc...).
